

SUMMER 2023 @SPPL TEEN READING LOG

Use this sheet to keep track of your reading time this summer. Each square in the grid represents 15 minutes. All the reading you do between 6/1 and 8/16 counts, including listening to audiobooks! At the start of the summer, mark your personal goal on this grid. (If your goal is bigger than 100 hours, just grab another copy of this log.) Email us a photo of your finished log or bring it in to show it to us by <u>midnight on 8/16</u> to earn prize drawing entries. (No late entries will be counted.)

If you have questions, visit scotlib.org/teens/summer, email teens@scotlib.org, or call (908)322-5007.
